Hubert Curien Alliance Programme - Application

Title

Name

Applicant home institution

Host Institution(s) for your visit

The Research Project

What is the project title?

Please provide a brief project abstract

Project start date

Project duration (months)

Does your application cover the initial year only (2023), or two consecutive years (2023 – 2024)?

Please indicate the timeliness and importance of the project and place it in the context of current knowledge.

What are the specific objectives of the activity to be covered by the grant?

What are the specific deliverables of the activity to be covered by the grant?

Please provide an outline of the activities that you plan to undertake as part of the grant, with details on the role played by all project participants (including your French partners).

What features of the host institution(s) and host researcher(s) make them particularly well-suited to successfully achieve the objectives and deliverables of this project? Emphasise any complementary expertise, facilities and academics in your institution and your partner institution that will enhance your area of research.

What are the main longer term outcomes you are expecting from the project? Please refer to the proposed project objectives.

How will the project contribute to the participants' professional development?

Please give a description of how you and your group/department/institution plan to continue the collaboration after the project, providing information about potential funding sources that might support it.

Please describe how your home institution will support your visit.

Have you previously been involved in any research collaboration with the receiving institution?

Presentation of the Teams - UK

Please Specify the total number of UK
team members.

UK Team Member 1

Position

UK Team Member 2

Position

UK Team Member 3

Position

List of Significant Publications related
to the project (UK)

Presentation of the Teams - France

Please Specify the total number of
French team members

France Team Member 1

Position

France Team Member 2

Position

List of Significant Publications related
to the project (France)

Budget

Number of visits planned across all participants in 2023

Visit 1 Destination

Commencement Date of Visit 1

Total Duration In Days

Visit 1 - Total number of researcher(s) travelling

Name(s) of researcher(s) traveling for visit 1

Visit 2 Destination

Commencement Date of Visit 2

Total Duration In Days (visit 2)

Visit 2 - Total number of researcher(s) travelling

Name(s) of researcher(s) traveling for visit 2

Visit 3 Destination

Total Travel Costs for the UK team members - Year 1

Request for subsistence for the UK team members - Year 1

Total Value of the grant requested for the UK team Year 1

Total Travel Costs for the UK team members - Year 2

Request for subsistence for the UK team members - Year 2

Total Value of the grant requested for the UK team Year 2

Assessment of the joint research proposal

Please indicate which of the following research areas is the most appropriate to your proposal.

Please indicate if your project corresponds to one of the priority areas in the following domains in engineering, technology and innovation:

Supporting documents

Supporting letter from home institution.

Combined CVs of all UK and French participants

Pre-submission confirmation

Both the Applicants and the home institutions have the professional resources, competencies and qualifications necessary to complete the proposed action.

The Applicants' home institution is not bankrupt, being wound up, or having their affairs administered by the courts.

The Applicants' home institution has not entered into an arrangement with creditors or suspended business activities, or have any analogous situation arising from a similar procedure provided for by national legislation or regulations.

Neither the Applicant nor the home institution are guilty of grave professional misconduct proven by any means which the contracting authority can justify.

Neither the Applicant nor the home institutions have been the subject of a judgement which has the force of res judicata for fraud, corruption, involvement in a criminal organisation or any other illegal activity detrimental to the British Council and partner organisations' financial interests.

Neither the Applicant nor the home institution are subject of a conflict of interest during the grant award procedure.

FAIR COLLECTION NOTICE

Please tick the box if you agree for the British Council to contact you about future research opportunities

The British Council wishes to publish information on successful applications (including the summary provided on the first page of this form) on their website, in promotional materials disseminated through any medium, and in reports and documents. The British Council will not publish personal details on their website or via other media without prior permission.
