

Dear parents and guardians,

We are delighted to welcome your child to our Bilingual Section.

Please find attached the list of course books and readers for each level for the coming academic year. Note that some books have changed compared to previous years.

Please purchase all the relevant books in time for the first class in September.

It is also worth noting that each child in BL6 and above should bring an elasticated folder (*chemise à élastique*) to class.

A series of FAQs, including an estimation of book costs, can be found at the end of this document.

Thank you very much.

Best wishes,

Rachel Chatterjee

How much to the books cost?

Below is an estimation of the book costs (dependent on availability):

BL4-BL7: €22-35

BL8-BL10: €55-65

BL11-BL13: €40

Where can I buy the books?

We have selected books which support our children to reach their course objectives and are available for online purchase in France.

We recommend that you buy the books online, particularly for textbooks. amazon.fr tends to have good availability of all the books on this list. If you prefer to buy in person, there are various English language bookstores in Paris where you can also ask if the books are available, but they tend to offer our class readers only.

If the books are out of stock on Amazon (which can occur if you are purchasing books in September or afterwards), you can also look on the following websites:
