

# Supporting English teaching and learning

**We support the teaching, learning and assessment of English and subjects taught through English in France.**

The British Council is the United Kingdom's international organisation for cultural relations and educational opportunities.

**Contact us to find out more:**

## Research

We conduct and share research that informs policy and good practice in multilingual education and in the teaching, learning and assessment of English.

[www.britishcouncil.fr/en/programmes/english-programmes/education/research](http://www.britishcouncil.fr/en/programmes/english-programmes/education/research)

## Thought leadership

We bring together stakeholders and experts to share and discuss education policies and practices.

[www.britishcouncil.fr/en/programmes/english-programmes/education/projects](http://www.britishcouncil.fr/en/programmes/english-programmes/education/projects)

## Resources and training

We offer free resources and training for teachers and teacher educators through our online *TeachingEnglish* community. Millions of teachers around the world access our webinars, online courses, research publications and teaching materials each year.

[www.teachingenglish.org.uk](http://www.teachingenglish.org.uk)

## CLIL webinars

We offer free webinars for primary and secondary school teachers who teach content subjects through English. Recordings of each webinar, together with post-course tasks and example lesson plans, are available on our website.

## Advice and support

We advise education stakeholders at local and national levels on the teaching, learning and assessment of English and of subjects taught through English.

[www.britishcouncil.fr/en/programmes/english-programmes/education](http://www.britishcouncil.fr/en/programmes/english-programmes/education)

## School partnerships

We help French schools develop partnerships and shared projects with British schools, notably through our *Schools Partner Finder* tool.

[www.britishcouncil.fr/en/education/schools](http://www.britishcouncil.fr/en/education/schools)

## Study UK

We provide information on studying in higher education in the United Kingdom through our *Study UK* online platform, including details of the variety of programmes offered, application procedures and available scholarships.

<https://study-uk.britishcouncil.org>

## University guidance

We offer free online training to school counsellors and education agents who advise students on studying in the UK.
