

Supporting quality English teaching and learning

**We support the quality teaching of, in and through
English within the French education system.**

The British Council is the UK's international organisation for cultural relations and educational opportunities.

**Contact us
to find out more.**

George Wilson
Head of English Programmes France
george.wilson@britishcouncil.fr

We advise education leaders on language teaching

We advise *académies* and other education stakeholders on the teaching of English and on multilingual education.

We share research into language teaching and learning

We commission and share research informing education policy and best practice.

We help create partnerships between schools in France and the UK

We offer advice, a partnership-finder tool, and lesson materials to help French and UK schools develop partnerships and shared projects.

www.britishcouncil.fr/en/education/schools

We help student advisors understand UK higher education

We have offered free online training to more than 17,000 university guidance counsellors and agents from over 120 countries.

We facilitate exchange between education experts

We organise events that bring together experts to discuss key areas of education policy and practice.

We provide online resources and training for teachers of English and teacher educators

Our free online community brings together 6.6 million English teachers and teacher educators worldwide – among them 93,500 in France – through webinars, MOOCs, publications and lesson materials.

We help French students study in the UK

We lead *Study UK*, the UK's national campaign providing information about studying in the UK. Over 148,000 French visitors access our dedicated website each year, and tens of thousands more discover UK universities via our social media.
